The petition to correct the patent term adjustment indicated on the above-identified patent to indicate that the term of the above-identified patent is extended or adjusted by one thousand five hundred forty-five (1545) days is **GRANTED to the extent indicated herein**.

As the period from the filing date of the request for continued examination (RCE) to the issue date of the patent is not included in the "B" delay period, the over three year period begins on November 11, 2003 and ends on January 26, 2005, the day before the RCE was filed, and is 443 (not 441) days. See, 35 U.S.C. 154(b)(1)(B)(i).

Further as to the "B" delay period, the period of overlap between the "B" period and Office delay pursuant to 37 CFR 1.702(a)(1) is calculated from November 11, 2003, and ends on the mail date of the Office action on January 22, 2004, and is 73 days (not 106 days).

The Office will *sua sponte* issue a certificate of correction. Pursuant to 37 CFR 1.322, the Office will not issue a certificate of correction without first providing assignee or patentee an opportunity to be heard. Accordingly, patentees are given **one (1) month or thirty (30) days**, whichever is longer, from the mail date of this decision to respond. No extensions of time will be granted under § 1.136.
